

A high-flying thought! A dream coming true. The whole idea was born on board of flights from and to Toronto and Milan to become a symbol of Quality and Professionalism in today's Hospitality world!

Doubtless to say that Maurizio and Roberto Zanini, the "pilots" of the long and safe flight of the Pepperone dream, had faced various issues to resolve and many obstacles to overcome. But with their constant determination, sacrifices, and enthusiasm they were able to attain great success!

A "work environment", a "family business" that became a lifestyle even for their children who contributed as venture "co-pilots" taking off beyond Verona's confines.

The organization and accurate choices in both "raw materials" and "selection of staff" were the main ingredients of a non-stop evolutionary recipe, the real taste of the Veronese tradition. You can simply look around into our distinctive environment and spot our highly trained staff, their neat uniforms, and their professional attitude!

All the surroundings will take you off the grounds to fly on board of Pepperone. The very special trophies, heirlooms, and testimonies of many great as Sara Simeoni, Valentino Rossi, Niki Lauda, Mike Tyson, Larry Bird, Diego Armando Maradona, Deborah Compagnoni, Usian Bolt, etc. had transformed "Pepperone" into an authentic "signature" Sports Museum! And mostly the blessings of the ski hood and poles of His Holiness Pope Giovanni Paolo II.

PEPPERONE RESTAURANT & SPORTS MUSEUM

Olympian Sara Simeoni's high jump world record jersey, Valentino Rossi's iridescent helmet, Muhammed Ali's boxing gloves. They are all just some of the precious sports memorabilia of many famous and less famous champions that can be admired at Pepperone, an authentic Sports Museum, "illuminated" by the Olympic torches of Cortina in 1956 and Torino 2006.

Alongside sports trophies and symbolic objects of important events, on the walls of Pepperone you can read anecdotes and interesting facts both about the many champions that have conquered the hearts of millions of Italians for their exploits and of so-called minor sports personalities who are no less charming!

Unique stories and objects of priceless moral value such as the yellow and black wool cap worn by His Holiness Giovanni Paolo II when He went skiing along with His walking poles he used during His walks in the mountains.

The kitchen remains open until the closing of the restaurant. 🐔
